TF South Parent Advisory 2026-2027

Under the supervision of the principal, or designee, the Parent Liaisons work to increase and improve parent/family and community involvement at TF South High School. To support families and community participants in their efforts to assist students in achieving educational excellence and bridge the gap between home, school and community.

Our most essential performances and responsibilities include:

- Forming, conducting and attending monthly meetings.
- Personal contact to encourage engagement among parents, students and community.
- Work effectively with people of diverse cultural and economic backgrounds.
- Support and work effectively with students.
- Coordinate ongoing activities to provide information and support to build on family strengths such as workshops, clinics and homework assistance.

We look forward to another wonderful school year and hope to see you at our meetings, events and games throughout the year.
