

FORENSIC SCIENCE AND PSYCHOLOGY COURSE

Mondays-Thornton Fractional North High School
February 7,14, 28; March 14,21; April 4, 11, 2022
3:30 p.m.-5:30 p.m.

This course introduces students to the study of both forensic science and forensic psychology, including potential career paths in these fields. Topics may include areas of interest such as learning about Criminal Profiling, Crime Scene and Death investigations (learning how investigators study things like blood-splatter, weather, and other clues to determine time and cause of death), and much more...

Course Locations:

The course will be offered at the following locations:

Thornton Fractional HS District North
755 Pulaski Road
Calumet City, IL 60409
