

The TF South Spanish Honor Society (Sociedad Honoraria Hispánica) is a new group that is being established this school year. This club is for students who have taken / are in their 3rd year of a Spanish class and have exemplified excellence in the language by maintaining a 3.5 GPA or above in their Spanish classes. If you received Spanish 1 credit in Junior High, that year counts! This club (honor society) will focus on elevating the Hispanic culture and pride in our school and community. If this is something that sounds interesting to you and you think you qualify, click the link below to sign up for more information in the near future!
